THE SCHOOL DAY

Our building is open for students from 7:25 a.m. until 3:30 p.m. **If your student is on campus before or after that time, there is no adult supervision. Regular breakfast hours are 7:25-7:50 a.m. every morning.** The first bell will ring at 7:50 a.m. and instruction begins; the tardy bell will ring at 7:55 a.m. Any student who is not in his/her classroom by 7:55 a.m. is tardy. It is most important that students arrive at school on time. When students arrive after teachers begin the day, it causes an interruption of classroom instruction; instructional time at Clinch County Elementary is valued. Dismissal is at 2:55 p.m. for all students. Students feel safe and confident when they go home the same way every day. If it becomes **NECESSARY** to change the way your child goes home or for your child to ride a different bus, you must send a written note or call the school **BEFORE 2:00** p.m. The building will be closed to students at 3:30 p.m. At **NO** time after 3:30 p.m. should a student remain in the building or on campus unless they are under a teacher's supervision.

When possible, medical and dental appointments should be made outside of school hours. However, should an early check out become necessary, students will be released only to the parent unless the parent notifies the receptionist that he/she has granted permission for someone else to pick up his/her child. All students will be checked out at the front desk. Your child will be called over the intercom to come to the front desk. Parents will sign the student out at the front desk and will wait for the student in the front lobby. At the school system's discretion, students establishing a pattern of early checkouts may be referred to the principal.

VISITORS

Visitors are welcome at Clinch County Elementary School. **All visitors are required to come by the office upon entering the school building.** House Bill 161 requires that immediately upon entering the campus, "any person who is not a student at such school, an employee of the school or school system, a school board member, an approved volunteer following the established guidelines of the school or a person who has been invited to or otherwise authorized to be at the school by a principal, teacher, counselor, or other authorized employee of the school shall check-in at the designated location as stated on posted signs and provide a reason for his or her presence at the school immediately upon entering the campus." There is a sign-in log on the counter. Once the visitor has signed in, the office staff issues him/her a badge. For the safety of our students, we request that visitors wear the badge while they are in the building. This assures us that visitors have been to the office and checked in with our office staff. We respectfully request appropriate supervision of small children visiting the building to prevent disruption in the instruction of our students. Parents are urged to visit the school for conferences and planned activities.

Note

Visitors entering the school complex should be dressed for an environment conducive to learning. Visitors will not be allowed to enter the building if wearing inappropriate clothing (this includes bedroom clothing, clothing with inappropriate pictures and or words, or clothing that reveals private body parts).

DISMISSAL/TRAFFIC CONTROL

In an effort to make dismissal a smooth, quick-flowing process, students will be dismissed to specified areas according to the way they go home.

Students who are picked up or walk home will be dismissed to the front of the building.

1. To keep the car pick-up line moving, we request that you stay in your car.

Students who ride the bus home will be dismissed to the side of the building.

2. No cars will be allowed in the bus zone or the adjacent parking area. This area is reserved for buses while loading and unloading.

ATTENDANCE

Regular and punctual attendance on the part of all students is necessary for success in school. Repeated tardies and absences may cause one to become discouraged and bring about failure in school. The Clinch County Board of Education has an approved school calendar for the school year. This official calendar contains holidays and teacher in-service days on which students do not report to school. The calendar does not contain nor does the Clinch County Board of Education recognize vacation trips out of town with family members. Absence from school is defined as the non-attendance of a pupil on any day school is in session.

GEORGIA COMPULSORY ATTENDANCE LAW

Every parent, guardian, or other person residing within this state having control or charge of any child or children between their sixth and sixteenth birthdays shall enroll and send such child or children to a public school, private school, or a home study program that meets the requirements for a public school, private school, or home study program.

Any parent, guardian, or other person residing within this state having control or charge of any child or children who shall violate this Code section shall be guilty of a misdemeanor and, upon conviction thereof, shall be subject to a fine not to exceed \$100.00 or imprisonment not to exceed 30 days, or both. Absence from school in violation of this part will constitute a separate offense.

All children enrolled for 20 school days or more in the public schools of this state prior to their sixth birthday shall become subject to all of the provisions of this article, the provisions of Code Sections 20-2-690 through 20-2-702, and the rules and regulations to the State Board of Education relating to compulsory school attendance even though they have not attained six years of age. (Code 1981, §20-2-150, enacted by Ga. L. 1985, p. 1657, §1; Ga. L. 1987, p. 1169, §1.)

ATTENDANCE POLICY

1. **3 Absences** - (excused or unexcused) school will send the first letter home.
2. **7 Absences** - (excused or unexcused) school will send the second letter home, and a referral will be sent to the social worker. A meeting of the Attendance Support Team will be held at the school. A letter with the school principal's signature will be mailed to the parent inviting them to the meeting. During the conference, student attendance and academics will be addressed in detail.
3. **10 Unexcused Absences** – will result in mandatory referral to the District Attorney for violation of Georgia Compulsory Student Attendance Law.
 - a) **TRUANCY:** A truant student is one who, while subject to compulsory school attendance, has more than seven (7) days of unexcused absences during the school calendar year. The superintendent shall establish rules to enforce the State of Georgia Compulsory School Attendance Law on any child absent from school in violation of the compulsory attendance law. O.C.G.A. 20-2-0698, 20-2-0701.
4. **12 Absences** - (excused or unexcused) letter of notification will be delivered/sent to the parent by the social worker, possible referral to District Attorney for violation of contract, parent meeting with Attendance Support team, possible student retention.

ABSENCES AND EXCUSES

Absence from school may be excused for the following reasons:

1. Personal illness or attendance in school endangering a student's health or the health of others.
2. A serious illness or death in a student's immediate family necessitating absence from school.
3. A court order or an order by a governmental agency mandating absence from school.
4. Celebrating religious holidays, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student's health or safety.

For personal illness, a maximum of five (5) parent notes will be accepted per year. After five (5) parent notes, a doctor's excuse will be required in order to receive an excused absence for the personal illness.

Absences shall not penalize student grades if the following conditions are met:

1. Absences are justified and validated for excusable reasons.
2. Make up work for excused absences were completed satisfactorily.
3. Excuse due within 3 days of returning to school. (Max of 5 parent notes)

Students who are going to be out of school for a minimum of ten (10) consecutive school days or more due to medical reasons, should contact the office to request services through the Hospital/Homebound Program. Parents or legal guardians of students, who feel extenuating circumstances are present to the extent that credit should be given, may communicate such circumstances to the child's principal.

*****Out of school suspension is considered an unexcused absence and will result in zeros, unless extra make up work is completed.***

ATTENDANCE APPEALS

If a student meets all Board approved promotion criteria and exceeds the maximum allowed absences from school due to hardship and/or extenuating circumstances, the following appeals process is established:

1. A parent shall request, in writing, an appeal that contains all reasons for requesting the appeal. This appeal shall be made to the principal within five (5) school days after notification of the maximum allowed absences (12). A school day is defined as a day when students are present at the school and excludes holidays, weekends, and in-service days.
2. The principal shall appoint an appeals committee comprised of three people.
3. The committee shall hear the appeal and rule within five (5) days and notify the parent in writing of the decision and reasons. Accurate minutes of the meetings shall be maintained.
4. The parent/guardian can appeal the decision by the committee to the superintendent within five (5) days of the ruling. The superintendent will rule in five (5) days. *
5. If the parent/guardian or principal is dissatisfied with the superintendent's decision, an appeal can be made to the Board of Education. The Board will hear the appeal at a regular work session, regular meeting, or called meeting at their discretion.
6. The ruling by the local Board shall be final.

For any appeal, the school shall provide the following documentation to the superintendent:

- Student's name, address, age, grade, and parent's name.
- Student's numerical grades in all subjects, number of credits earned, and number of credits lost due to attendance.
- Student's disciplinary information, notice of suspensions, and/or related information.
- Date of all absences (to include notation of "unexcused" or "excused").
- Copies of all written excuses on file at school.
- Copies of all attendance letters.
- Copies of all School Social Worker's referrals and reports.
- Chronological order of all activities by the school that attempted to correct the student's truancy (phone logs, parent conferences, and related information).
- Written minutes summarizing the School Appeals Committee finding and the reasons supporting this finding.
- Any other information the principal feels relevant to the appeal.

A complete copy of the Clinch County Student Attendance Protocol is located in the office of the Principal and in the media center.

MAKE-UP WORK

Students shall have opportunity to make up work missed because of an absence. It shall be the student's responsibility to initiate the make-up process at the convenience of the teacher. All make-up work shall be scheduled with the teacher no later than the end of the third day back at school.

LEAVING CAMPUS

Students are not permitted to leave the school grounds at any time during the school day without authorization from the school office.

TARDINESS

The bell to begin the school day, and the first instructional period of the day, rings at 7:50. Any student arriving at school after 7:55 a.m. is tardy and should report to the office before going to the classroom. A child who is tardy for school loses valuable instructional time, begins the day trying to "catch-up" with the class and the teacher, and causes an undesirable disruption in the classroom.

PROGRAMS FOR HOSPITAL/HOMEBOUND STUDENTS

A student who has a medical diagnosis, non-communicable condition that restricts him/her to home or hospital for ten or more school days may be eligible for hospital/homebound instruction. Please contact the Principal or the Board of Education office (487-5321)

Students shall be notified in writing of any charges being assigned to them and that failure to pay those charges will result in withholding report cards, diplomas, or certificates of progress until restitution is made.

GEORGIA VIRTUAL SCHOOLS - CLINCH COUNTY SCHOOL SYSTEM

The Clinch County School System recognizes the importance of putting technology into the hands of students, and one aspect of this goal is allowing students in Grades 3-12 to work through classes in the online forum of Georgia Virtual School (GVS). Recognizing that students are technological learners with a growing need for flexibility and that the business community, colleges, and universities seek high school graduates whose high level digital skills match their ongoing professional and learning needs, the school system offers Georgia Virtual classes as an option for students who desire this technological platform for learning. The rigor of the Georgia Virtual School courses mirrors the high level of expectation and quality that students are held to within the Clinch County School System. See your guidance counselor if you are interested in an online class through Georgia Virtual School. For additional information, visit www.gavirtualschool.org.

MEDIA CENTER

The media center will be open for the use of students each school day from 7:25 a.m. to 3:25 p.m.

Academic Achievement Awards

The Clinch County School System takes pride in academic excellence by awarding qualifying students in grades 4, 7, and 12 a medal for Academic Achievement.

To qualify in the 4th grade, students must meet the following criteria:

1. The student must attain an overall academic average in grades 1-4 of a 90, with only the 1st semester of the 4th grade year being included in the average.
2. The student must have a combined average of 3.00 on the Reading and Math Georgia Milestones.

CODE OF CONDUCT

Parents are requested to sign an acknowledgement of the receipt of the code of conduct and return the acknowledgement promptly to the school. The student code of conduct is available online, in the school office, and each classroom.

All student behaviors shall be based on respect and consideration for the rights of others. Students are expected to conduct themselves at all times in a manner that will contribute to the best interest of the school.

Students have the responsibility to know and respect the rules and regulations of Clinch County Elementary School and the Clinch County Board of Education. Students have further responsibility to behave in a manner appropriate to good citizenship everywhere. When students do not respond to teacher initiated interventions and continue to fail to meet basic school-wide expectations teachers will follow a set discipline policy for minor and major behaviors.

In the event of immediate office discipline referral (ODR) or a culmination of classroom disruptions resulting in an ODR, the school administration will decide on the most appropriate consequence for the offending action. According to Georgia Law, "progressive discipline processes, shall be designed to create the expectation that the degree of discipline will be in proportion to the severity of the behavior leading to the discipline, that the previous discipline history of the student being disciplined and other relevant factors will be taken into account, and that all due process procedures required by federal and state law will be followed" (O.C.G.A. § 20-2-735).

POSITIVE BEHAVIORAL INTERVENTIONS AND SUPPORTS (PBIS)

Positive Behavioral Interventions and Supports, or PBIS, is a framework of evidence-based and data-driven strategies for the specific purpose of addressing and correcting behaviors. PBIS has been proven effective in reducing discipline referrals, in-school and out-of-school suspensions, and improving the safety climate in schools. By reducing discipline issues and improving school climate, academic outcomes can also be improved. The program utilizes the discipline data from the schools to identify which behaviors are the most problematic and reoccurring. When those primary problem behaviors are identified, supports are put in place for students to receive instruction on the correct behavior. In this way, students are taught correct behaviors in much the same way they are taught academic subjects. PBIS utilizes different intervention tiers to meet the specific needs of students experiencing behavioral issues. The multi-tiered approach is designed to help students at all levels of behavior learn and practice correct behaviors, resulting in less time out of the classroom and greater academic success. If you have questions regarding PBIS, please contact Marie White or Renee Harris at (912) 487-5385.

The decision of the hearing tribunal shall be based solely on the evidence received at the hearing, including any evidence presented by either party relevant to the appropriate punishment to be imposed. The hearing tribunal shall render a decision in writing within ten days of the close of the record and shall furnish a copy of the decision to the student, his or her parents or legal guardians, the principal or his or her designee and the Superintendent. Such notice of appeal shall set forth the decision of the hearing tribunal and the basis of the appeal. Any decision of the hearing tribunal not appealed in this manner shall be final. The Superintendent may suspend the disciplinary action imposed by the hearing tribunal pending the outcome of the appeal.
8. The Board of Education shall review the record of the hearing before the hearing tribunal, the decision of the hearing tribunal and the notice of appeal and shall render its decision in writing within ten days from the date it receives the notice of appeal. The decision of the Board of Education shall be based solely on the record before the hearing tribunal and the Board shall not consider any other evidence in ruling on the appeal. The Board may find the facts to be different than those found by the hearing tribunal and the Board may change the punishment, in accordance with state law. Any decision of the local Board may be appealed to the State Board of Education by filing an appeal, in writing, within thirty (30) days after the local Board renders its decision.
9. Any student subject to a disciplinary hearing who withdraws from the school system prior to the hearing must appear before a Disciplinary Hearing Tribunal to determine the student's eligibility to return to the school system in the event the student ever seeks to return to the system. Children with a temperature of 100 degrees or higher will need to be picked up immediately. Children with contagious conditions may not return to school without medical certification from a doctor or the health department. Elementary school students cannot possess and self-administer asthma inhalers while on the school grounds due to inability to safely self-administer the medication at this age. If you would like your middle school student to possess his/her inhaler while in school or at a school sponsored activity, you will need to meet with the school nurse to obtain the authorization form. The authorization form will need to be completed and signed by the parent **and** the prescribing physician. Any necessary asthma medications can be administered by the school nurse with signed parental consent. All other types of medications should be given directly to the nurse by the parent and/or guardian in the original container with a clear label. HEAD LICE PROCEDURE

In an effort to keep students free of lice infestation, and to prevent outbreaks of head lice, all Clinch County Schools maintain a No Nit Policy. At any time during the school year, the school nurse or other school staff designee can screen students for head lice. If any student is found to have head lice or lice nits (eggs) his/her parents/guardians will be contacted to pick him/her up immediately. Parents/guardians will be informed of lice infestation by a letter that explains the problem, how to detect lice and nits, and steps to take in treatment. The parents/guardians are to treat the head lice in a timely manner, including manual removal of ALL nits. Treatment of head lice usually takes no more than two days. The parents/guardians must bring the student to the school nurse or designee to be checked and cleared for re-entry to school. Students who have been dismissed home due to head lice will not be allowed to ride the school bus. A parent/guardian or family member must bring the student in to the nurse to be checked, and must wait until the school nurse or designee has cleared the student to return to school. If ten or more nits are still found in the student's head, the student will be sent home again for manual removal of nits. The school nurse may excuse up to three days of absence in a fourteen-day cycle period of the infestation. After the third absence following each episode of infestation, the school counselor or social worker will contact the parents/guardians. After the third infestation of lice in one calendar school year, the parents/guardians must take the student to the Health Department or to a physician for a letter of release back to school.

IMMUNIZATION

The Clinch County School System, in accordance with the Georgia Department of Human Resources and Georgia law, requires all students entering a Georgia public school to have a Certificate of Immunization. This form may be secured from the Clinch County Health Department or from your private physician's office. The school must have this form on file in order for your child to be officially enrolled in school. Please help comply with Georgia law and protect your child by having this certificate completed before your child enters school. Questions regarding immunization may be directed to the record's clerk. According to an amended Georgia State Law (290-5-4.02), all entering sixth (6th) grade students will be required to show proof of a second **MMR** (measles, mumps, rubella) vaccination. This immunization is being required in order to protect children, as they get older, against the possibility of contracting measles. In the future, as a student enrolls in the sixth (6th) grade, he or she must present a certificate showing proof of two **MMR** vaccinations. The shot may be secured from the Health Department or your private physician. For additional information, contact the school records clerk 487-5385.

Annual Notification to Parents Regarding Confidentiality of Student Education Records

The Family Educational Rights and Privacy Act (FERPA) is a federal law that protects the privacy of student education records. FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

- Parents or eligible students have the right to inspect and review the student's education records maintained by the school within 45 days of a request to the school administrator. Schools are not required to provide copies of records unless it is impossible for parents or eligible students to review the records without copies. Schools may charge a fee for the copies.
- Parents or eligible students have the right to request in writing that a school correct records that they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
- Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties or under the following conditions:
 - School officials with legitimate educational interest
 - A school official is a person employed or contracted by the school to serve as an administrator, supervisor, teacher, or support staff member (including health staff, law enforcement personnel, attorney, auditor, or other similar roles; a person serving on the school board; or a parent or student serving on an official committee or assisting another school official in performing his or her tasks;
 - A legitimate educational interest means the review of records necessary to fulfill a professional responsibility for the school;

- Other schools to which a student is seeking to enroll;
- Specified officials for audit or evaluation purposes;
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies; and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, “directory” information which includes student’s name, address, telephone number, date and place of birth, participation in official school clubs and sports, honors and awards, sports participation (including height and weight of athletes), dates of attendance, photograph, and grade level unless notified by the parents or eligible student that the school is not to disclose the information without consent.

- Tampering with the teacher's or another student's information.
- Any form of hacking.
- Any illegal or questionable activities.

Any information transmitted or stored on this network is not private and can be viewed by administrators, faculty and other individuals as deemed necessary.

The purpose of telecommunications technology in the Clinch County School System is to support research, communication, and education and to provide access to vast, diverse and unique resources and opportunities for collaborative work. The use of computer networks within the Clinch County Schools, including Internet access, is in support of education and consistent with the educational objectives of the Clinch County Board of Education and The Georgia Board of Education.

This policy applies to all users of electronic information, services, and networks provided by the Clinch County School System, in conjunction with the Georgia Department of Education and the Georgia Board of Regents via their PeachNet node. By using or accessing these facilities or services, the user agrees to abide by this policy which is consistent with the Georgia Board of Regents Acceptable Use Policy for PeachNet. Electronic information research skills are now fundamental for productive citizens and employees. Access to the Internet enables students, teachers, and administrators to explore thousands of libraries, databases, bulletin boards, and other resources while exchanging information with people around the world. The School System expects that its teachers will blend thoughtful use of the Internet throughout the curriculum and will provide guidance and instruction to students in its use. The School System shall ensure that teachers provide for students age-appropriate instruction regarding safe and appropriate behavior on social networking sites, chat rooms, and other Internet services, behaviors that may constitute cyber bullying, and how to respond when subjected to cyber bullying. As much as possible, access from school to Internet resources will be structured in ways which point students to those resources which have been evaluated prior to use. While students will be able to move beyond

those resources to others that have not been previewed, students will be subject to supervision in an effort to provide Internet use that is particularly suited to learning objectives.

Having Internet access provides access to computer systems all over the world. As a result, users, and parents of users, must understand that the Clinch County School System cannot control the content of the information available. Some of the information is controversial and, sometimes, offensive. However, the valuable information and interaction accessible on this worldwide network outweigh the possibility that users may find inappropriate material. The Clinch County School System does not condone the use of such materials and takes all reasonable precautions to filter access to these materials. The ultimate responsibility for appropriate use of Internet resources lies with each individual user. Parents and guardians may request alternative activities not requiring Internet use for their children. All individuals (students, teachers, parents, guests, etc.) utilizing Internet access provided by the Clinch County School System must first sign an agreement indicating that they understand and will adhere to the regulations indicated in this policy. A parent signature is required on the agreement signed by all students.

Guidelines

The operation of school-provided computer networks, including Internet access, relies heavily on the conduct of the users, who must adhere to strict guidelines. Internet access is a privilege, not a right. The following is a listing of guidelines related to the use of electronic information and the Internet. Although some specific examples of prohibited uses by students are stated, they are intended as illustrations only and do not purport to be an all-inclusive list of inappropriate behaviors. Failure to comply with these procedures shall be deemed grounds for revocation of privileges, appropriate disciplinary and/or legal action.
